BUILDING A BLUEPRINT FOR SUCCESS:
School, Social Media, and Stress

• Have you ever wondered if you could do more to help your student be more **focused** and **better organized**?
• Do you think your student is **stressed** about always trying to be perfect?
• Are you concerned about your student’s **social media use** after recent bullying incidents?

Author, speaker, educator, and teen expert Ana Homayoun will present strategies on how to promote organization, time management, and overall wellness at home.
