Superintendent Polly Bove invites you to learn about and provide input to the work of the Community Taskforce on Student Wellness.

Fremont Union High School District Community Forum Homestead High School Cafeteria Thursday, March 2 7 to 9 p.m.

The taskforce is currently reviewing aspects of student wellness that could result in changes in our schools such as a later school start time, demands on student time outside the school day, and how aspects of mental health are addressed. The forum on March 2 will include an informational presentation and an opportunity for the community to ask questions, share concerns, and make suggestions. Supporting documents are available at www.fuhsd.org/wellnesstaskforce: 2016 Student Wellness Survey Analysis, American Academy of Pediatrics Policy Statement on School Start Times for Adolescents, meeting minutes, etc.

A report will be available following the forum for those who are not able to attend. Questions and concerns may also be sent to wellness_taskforce@fuhsd.org. A second community forum is scheduled for March 14. Additional information, including specific topics, will be provided following the outcome of the March 2 meeting.
