Taking the SAT?

Success on the SAT relies on good test-taking skills.
Learn to study smartly with The EDGE

SAT and PSAT Preparation Course

The Cupertino High School PTSA is proud to offer “How to Outsmart the SAT” to the students of Cupertino High School. This course is designed to prepare you specifically for the SAT and the PSAT exams. Similar courses cost $900 or more, but our “How to Outsmart the SAT” course is just $100.

This 14-hour course will teach you all of the critical skills needed for success on the SAT and the PSAT. The course is broken down into four, 2.5-hour sessions with one, full-length practice test. All of the skills you will learn are highly effective and proven techniques for increasing your SAT scores.

Enroll now and improve your SAT and PSAT scores.
