Hello all,

The “F” in February stands for FUN as we have a fun filled month - winter break (enjoying time with our kids), Powderpuff football, Lunar Lunch (celebrating Chinese New Year), and a social time with our parents at our Feb meeting.

**February Meeting on Tues February 28th in the Cafeteria**
We are holding a parent volunteer fair and social hour from 6-7. Please come meet our board and learn about what they do. Other booster groups are coming as well. Come meet other parents and how to become involved with the school community.
The math dept will hold a presentation.

**Student Programs**
Springfest will be April 7. This program was a huge success last year. We will need parent volunteers to chaperone this event. Please look out for the email looking for volunteers.

Our PTSA prep class filled quickly so we are looking into scheduling another one.

**Parent Programs**
Naviance - Discover you! Feb 28 after the PTSA meeting at 8:15pm in the cafeteria.
Naviance is the program used district wide for our students to manage their college application process. There are many tools to help your student discover things about themselves, their strengths and their interests, as well as how to maximize their success in the college application process.

College Case Study for Juniors only. March 29 5:45 (check in) -8:30pm. This event will walk students and one parent through the college application process with actual college admission representatives from colleges all over the nation. Seats are limited by the number of representatives coming, (We do not have a count of the reps coming yet, so the current plan is to begin releasing tickets March 1.)
