Superintendent Polly Bove invites parents, students and community members to learn about and provide input to the work of the FUHSD Community Taskforce on Student Wellness.

Fremont Union High School District
Community Forum
Homestead High School Cafeteria
Tuesday, March 14
7 to 9 p.m.

On March 14, members of the Community Taskforce on Student Wellness will:

- Deliver an overview of topics presented and input received on March 2;
- Receive community feedback on potential solutions to address sleep deprivation, such as a later school start time, changes to elements of the bell schedule and ideas to increase the quality and quantity of sleep; and
- Provide clarity regarding how recommendations will be decided upon.

The forum will include an informational presentation and an opportunity for the community to ask questions, share concerns and make suggestions. Supporting documents, including a meeting report from March 2, are available at fuhsd.org/wellnesstaskforce.

Questions and concerns may also be sent to wellness_taskforce@fuhsd.org.
