Grad Night
Please consider volunteering at Grad Night and being a part of the final send-off for the class of 2017. Please go to Volunteer Sign Up - Grad Night to review all the opportunities. We need many volunteers to make this a successful event for our students.

Ticket sales and fundraising activities cover many of the expenses of Grad night party, but the success of the event each year is also largely due to the generosity of our community and businesses who donate, prizes, gift cards, food and beverages. The more donations we can get, the more funds are available for entertainment and the more fun and exciting the event becomes. Parents play an important role in helping out these donations. If you have connections with local businesses which might be willing to contribute items to our grad night, or if you personally own a business and/or would like to contribute any of these items, please let us know by emailing us at chsgrad.prizes@gmail.com

Please do not solicit businesses before checking with us. We do not want to lose their goodwill by having several people approach them for the same cause. List below are just suggestions. We will take anything New that you feel that students would like to WIN at Grad night. We have donation letters with our Tax ID that we can provide to all the business that donate.
