The Fremont Union High School District (FUHSD) is conducting an important 
**Parent Engagement Survey** to gather feedback on your experiences as families in FUHSD.

- Research shows that parent engagement with their children's education is critical to student success.
- FUHSD wants to ensure that parents have the knowledge and tools needed to be successful supporters of their students.

**AREAS BEING SURVEYED:**
- Engagement with child’s school and learning
- Challenges you face supporting your child at school and at home
- How the school can support you as a parent

- District planning

The survey should take approximately 15 minutes to complete.

Your responses will remain completely anonymous. Thank you for participating.
