**JOB SHADOW DAY PROGRAM – APRIL 24, 2018**

We are happy to introduce the job shadow program for our students this year. The purpose of this program is to expose the students to careers to gain an awareness of the academic, technical, and personal skills required for jobs and to give them an opportunity to make connections.

- Student application for the job shadow will be emailed via the school’s ‘Chalk’ portal shortly. Stay posted.
- We are still in need of Hosts. The more hosts we have, the more spots we can make available to the students for job shadow. Please consider signing up to be a ‘Host’.
